File Number: D13-2025-024
Applicant/Agent: Donald Joseph Milito and Kimberly Ann Fenwick
Location: 69 Benson Park Road
Ward: Ward 1 (Former Front of Leeds and Lansdowne)

Purpose of Application

The subject application is requesting a permission for a proposed expansion to the existing legal non-complying dwelling. The existing dwelling is proposed to be removed down to the foundation and reconstructed with a 2-storey addition on the west side. The existing dwelling is a legal non-complying structure that does not comply with the minimum 30 metre setback from the highwater mark of the St. Lawrence River and does not comply with the minimum 30 metre front yard setback of the Island Residential 'RI' zone. The 2-storey addition is proposed to have a ground floor area of 50.9 square metres and a gross floor area of 94.3 square metres.

Of note, the applicant received approval from the Committee of Adjustment at the September 24, 2024, meeting to expand the existing legal non-complying dwelling with an attached covered deck (Application Number: D13-2024-042). The proposal regarding the expansion of the existing legal non-complying structure has since been altered, and the applicant is seeking approval to further increase the floor area of the dwelling. The location of the proposed additional floor area is on the southeast side of the dwelling, which is the elevation located on the inland side of the property. The additional floor area included in this application is 22.3 square metres.

Requested Permission:

Section	Provision	Existing Dwelling & Attached Covered Decks	Proposed Dwelling Additions & Attached Covered Deck	Permission Requested
-	Increase in floor area of a legal non-complying structure	236 square metres (2,540.3 square feet)	116.6 square metres (1,255.07)	Additional 116.6 square metres (1,255.07 square feet) of dwelling floor area and attached covered decking
